Dear Mr. Weber:

The Occupational Safety and Health Administration (OSHA) has learned from Gulf Coast Safety Institute, your Challenge Administrator, that you have successfully completed Stage I of OSHA Challenge. On behalf of the Agency, I extend congratulations to you and your employees on this accomplishment.

It is gratifying to learn about your commitment to improving worker safety and health at your workplace and your employees' growing involvement in the process. We at OSHA look forward to hearing from your Challenge Administrator about your continuing achievements and progress through Stages II and III. As you work through the next stages, please remember that your workplace remains subject to OSHA programmed inspections and investigation of any employee complaints, fatalities, or catastrophes.
